Customer Reviews

The old testament mentions food many times. There are cures contained in the Bible. This book gives information about modern standards and measures and there are prayers to go along with the information. I wanted to read about the eating habits and places in the Bible that refer to grains and dairy and pork and berries of the field. Not there. a disappointment. Francisense and Myrr. Health benefits. HBP? maybe.

Good book with practical remedies and it provides hope for high blood pressure sufferers. I have seen the remedies listed in other health resource guides.Lorene in Texas
