The Ring Of Earth (Young Samurai, Book 4)

Synopsis

Jack Fletcher is on the run. With no sensei to guide him, he has just his wits and his swords against many new and unknown enemies, as he journeys along the treacherous road to the port of Nagasaki and perhaps home. . . But the Shogun's samurai are hot on his trail. Barely escaping their clutches, Jack runs headlong into a trap. Kidnapped by ninja and led to their village deep in the mountains, Jack has no means of escape. The only question is who will kill him first—the ninja or samurai?

Customer Reviews

"A fantastic adventure that floors the reader on page one and keeps them there until the end."

—Eoin Colfer, author, *Artemis Fowl*

Chris Bradford has trained in karate, kickboxing, and samurai swordsmanship. He earned his black belt in Zen Kyo Shin Taijutsu, the secret fighting art of the ninja. Before writing the Young Samurai series, he was a professional musician and songwriter and has performed for HRH Queen Elizabeth II.

My 12 year old son has been reading this series. Generally, he is not a huge fan of leisure reading,

but he has really enjoyed these books. We started off requiring him to read three chapters a day, but he quickly wanted to continue reading more. They were a huge hit! We enjoy the fact that while reading he is also learning a lot about Japanese culture in the 1600's. This series is not only entertaining but educational, as well. I highly recommend this series to young boys...maybe older ones too! :)

so im reading the ring of wind now, but by the time that somebody reads this ill most likely have finished them all.best 1 iv read so far. to be fair it's 'couse the plot is
sooo
great.10000000/5 from me(still, not as good as harry potter)

Wonderful journey

I loved it so much. My top 3 favorite series. I always love the every book in this series. Keep making more.

my grandson enjoys this series of books

Lots of the philosophies and training reminds me of when he taught class (over 50 years). Very interesting. Recommend this series to all.

Much different from the other books. It took me by surprise. I loved it so freaking bad! I still wonder if it was based on a real story.

So, I'm not an adult. what ever. ok, so i was totally into the young sa.urai series when i first read the first book. And after the third book, i was dieing to know what happened. this book is really awesome. it's the best one in the sries so far. must read it, Young samurai! young samurai i meant you the person reading this review.
