Customer Reviews

The story has many twists and turns. It makes it a page turner, just to see what happened. Love happy endings.

This storyline has a few twist and turns but not before one sister betrayed the other. Money does not buy true happiness.

This was also good, I love reading Amish books they are so good.

Well written, pleasant style, a truly Disney ending. My only complaint is that it's not much longer

than a long short story.

Love the book. Had it read it in a couple of hours. Could not wait to see what happens next. Will order again from them.

I don,t like the way she ends her books

I have read a lot of books in my 65 years. This has been the Best Story I have ever read! I have felt anger, saddness, but most of all happiness!!ÃfÂçÃ Â•Ã Â¼ I thought this book would end on a sad note but it turned out with a happy and joyful ending for Sarah and Maddie and that they were able to be loving sisters again and have a wonderful Mom/Grandma back in their lives. Thank you for a very enjoyable story.

I read book number two like I said I would on my review for book number one. I read book three first. I throughly enjoyed all three books. The books by Samantha Bayarr are great reads. Wow some hateful people were in this story but one saw the error of her ways and allowed true love to take place. That is a teaser as I want you to read all three books in this series. They are stand alone so you can read them out of order if your like picking books by the title page. Enjoy the series in whichever order you read them in. Samantha Bayarr is a great writer.
