Customer Reviews

Franko Maps Ltd. is known for producing the best travel, dive and snorkel maps, guides and fish cards for the Caribbean and other locations worldwide.

Great laminated mini-guide to the local fish for quick reference after snorkeling or diving. We're planning a trip to The Bahamas this winter and it's an easy map to show where we are going and what we might see while in the water.

A great reference for my trip! I took it in the water with me while I was snorkeling and it held up very well. I only wish that it folded.

Shows the fish in the waters around the islands.

Anyone going snorkeling in the Bahamas should have one of these cards. We used it a lot.

Perfect - as advertised

OK just amall
