The Ultimate Myanmar (Burma) Travel Guide: How To Get The Most Out Of Your Travel Through Southeast Asia's Hidden Gem (Asia Travel Guide)

Synopsis

Would You Like To Know Why Myanmar Is Such A Unique Country? Have you been traveling Asia or wanting to travel Asia? Have you heard very little from Myanmar? Are you thinking of adding Myanmar to your list? You probably have heard stories from friends, families or surroundings traveling to Thailand and Vietnam. These are indeed the most popular places to travel and I do recommend you to go there some day. However, if you are really into a unique country that is less traveled, Myanmar is sure one for the look out. With "The Ultimate Myanmar (Burma) Travel Guide" you'll start to get first impressions about what Myanmar has to offer. Disclaimer: Since this is a quick guide, this Travel Guide is intended to give you inspiration when planning your travel itinerary. Travel Burma And Discover Its History And Culture Maybe you've noticed that I've used Myanmar and Burma interchangeably, because both names are recognized internationally. The names were an issue a while ago because of the regime in that country, perhaps the reason why it has such an interesting cultural history. If you travel to Burma, you'll be sure to tap into a country with great architecture, where some buildings have been around for over 2,500 years! Get Inspiration To Plan Out Your Itinerary For Your Travel To Myanmar "The Ultimate Myanmar (Burma) Travel Guide" will get you started on planning your activities you'll never forget much easier than the resources available. Inside this guide you'll discover: Where To Stay Safely With Myanmar's Restrictions For Travelers Which Transport Methods To Use For The Best Adventure Local Dishes That You MUST Taste The Secret Cultural Attractions Of Myanmar Touristic Sightings And Adventurous Things To Do in Myanmar How To Enjoy Your Evening Hours in Myanmar Your Myanmar Bucket List To Tick Off Would You Like To Learn More About Myanmar (Burma)? Customer Reviews

This is an inexpensive download which has some good data but lacks most of what would be in a real travel guide. No good recommendations on hotels or,restaurants.

reads like a high school kid's fast attempt at fulfilling an essay assignment. not much information. the list of 'to sees' isn't often clear about WHERE places are, since the author bounces around the country.

Waste of my time and money, this book is more of an essay with very little content. I wonder if this author has even been to Myanmar

Contains very little information of everything. You can finish the book in about 5 minutes.

Great food & sight descriptions. However, this is a very short book & could not replace an actual travel guide. It does not cover any logistics or cover basics such as lodging or transport.

I bought this book because my parents were planning to visit Myanmar. I was impressed at the variety of information this book has. I love the Myanmar Bucket List and the Eat like a Local section. That was so insightful. This book really helped my parents experience the local culture, and actually pay attention to a lot of the things they might have missed out on otherwise. It goes beyond regular tourism and really aims at cultural assimilation. ItÃ¢â€¢s a great book.

It can be stressful visiting a new place; not knowing where to go, what to eat, wondering if you are

going to miss the best attractions, etc. That is why picking up a good travel guide is important because a good guide ensures that you make the best out of your trip. I grabbed this guide while I was preparing for a trip to Myanmar. It truly did point out several hidden gems that I would have missed on my own. If you are planning a trip to Myanmar, do yourself a favor and grab this guide.

This travel guide to Myanmar- Burma is a fantastic guide that outlines everything from lodging and transportation, to safety issues and food guidelines. The more information the better when travelling abroad. And this guide gives you a solid base to build your travel plans from. The links are great to for more information. Wish I had a book like this when I travelled to Belize earlier this year!! recommend you grab this guide and get inspired to travel!
