Williams-Sonoma Salad Of The Day: 365 Recipes For Every Day Of The Year

Synopsis

Organized by month, and featuring one recipe for each day on the calendar, Williams-Sonoma Salad of the Day includes 365 recipes for salads to match any season, occasion, or mood. Whether it's a simple mixed greens salad with red wine vinaigrette for a dinner party starter, a classic Cobb Salad for a main-course lunch, a quinoa or farro salad perfect for bringing to a potluck or picnic, or a pasta salad to accompany food fresh off the summer grill, the wealth of simple and delicious choices and beautiful full-color photography will provide daily inspiration and satisfy any salad-lover's craving throughout the year.

Customer Reviews

I have been looking for a book with salad recipes in bookstores and libraries. Each one had more recipes that I wouldn't use than I would. I checked the reviews for this book and it holds up to the reviews. My husband is a diabetic and many of the salad ideas are healthy and filling. Some of the recipes have the protein source along with the vegetable and grain. So many good recipes. While

the few that I have tried so far have introduced me to new products the products were not hard to find or expensive. The wide variety will please everyone.

Don't buy this salad cookbook. The recipes are mostly very simple. Any averagely skilled cook could think up with these recipes on their own. One recipe was literally spinach leaves, sliced strawberries, and a very simple dressing. I don't need a cookbook for that. Also not enough pictures! I like a cookbook with pictures to accompany most recipes, this has about 1 picture for every 3-4 recipes. Not inspiring or interesting, unfortunately :(

Love this book! It's very helpful for beginner salad maker like me. I make at least 3 recipe from this book every week, and they taste great! The only thing I didn't notice at the beginning was the serving size for each was different. I thought it was set up for 2 people, but turns out most are for 4-6. I have never make salad at home before, and these are the salads I made by following the instructions on the book.

At first I was a little upset that it didn't seem to have recipes I would like, but the Moore I read the more recipes I found. I've tried quite a few already and they are amazing! There's a pesto chicken pasta salad that is so good I have to make 2! One as a decoy for my husband, the second to actually bring with me to the party!

I love salads! This book has some really creative salads and they are easy to make.

Bought as part of a wedding shower gift and the bride and groom loved it

Lots of new ideas

Love this book! Lots of great, easy recipes year round!
