Gr 1-3 Adoring parents celebrate the birth of a baby girl, who, from the beginning, is her daddy's princess. At each milestone in her life—tea parties, soccer practice, middle school, driving lessons, and senior prom—her father is there. Whether or not she looks at him, his expressive eyes are always watching her. "College takes her far from home./Then, travel: London, Paris, Rome/But even when she's far away,/his heart is hers, and so he prays,/for his girl's life has just begun,/his princess, now at twenty-one." On her wedding day, he walks her down the aisle, and later they share a dance. The artwork shows the two of them, her dress billowing around her, ginkgo leaves framing the spread. When her baby is born, her father is there,

“his heart, all joy and happiness, TWO princess girls, a life so blessed. And so the book ends. The illustrations feature a palette of deep fuchsia, teal, gold, and green, giving weight to the story of a girl growing up as her father grows old. Thoughtful illustrations include the girl's mother, dog, and cat, also constants in her life. Well-chosen Bible verses, which echo the rhymed text, are printed in small type on the bottom of the spreads. Though this book will appeal to new parents, children may have difficulty relating to the story on their own. It's best read one-on-one in a family setting.”

I just received this today as a gift from my 3 yr old daughter (via my wife on this account). Beautiful illustrations and text. The only issue with it is I am incapable of reading it to my daughter without crying like a baby. Hopefully by the 5th or 6th reading I will be able to finish it. So much for my macho image.

We absolutely love the precious story of "Always Daddy's Princess." I bought this as a first Father's Day gift for my husband because he likes reading to our daughter. However, I did deduct two stars for quality. We have MANY board books and yes, we do have a drooly baby, but the pages on this

book stick like no other. A few of the pages have stuck so badly that one page eventually pulls the image and writing from the other and we can no longer read or see what was originally there. I would write it off as baby drool causing the problem, but even after putting it away to try to save it, pages continue to stick and tear. (And this hasn't happened to any of our other similar books.)

I got this for my brother for the baby shower. I made him a gift bag to open there too. I wrote inside of it about the kind of dad I know he will be. I love my brother and this is my first niece and he is 49 years old! I'm so flipping excited. I think this book is a nice touch.

Goes through adulthood with the baby becoming a mother. It's okay but I was looking for a cute daddy/baby book.

Gave this to my husband for his birthday as a gift "from" our daughter. He loves it, and while he won't admit it, it made us BOTH tear up.

I bought this for Fathers Day for my husband. It's a cute book that follows a dad through the life of his daughter. He mentions that one day she'll be concerned about boys (referring to her in her teens), and I'm not sure I liked that. I hate to be a stickler, but we try to steer away from the whole boyfriend talk and marrying people, as my daughter is only 4. Also on each page, there's a bible verse. And it's very subtle, but maybe I missed that in the description...as my husband is Muslim and I am Jewish. hahaha. But it didn't bother us too much, just something to note. The book was cute, I still cried in the end.

Such a beautiful book. I bought it as a Christmas gift from our 2 year old daughter to my fiancé and I wanted to get him a special book that he could read to her. Everytime he begins to read it to her he starts to tear up. I read it before wrapping it up and got very emotional. I liked the Christian scriptures and how they went along with the story on each page. He likes the book a lot but he said it also makes him sad because he doesn't want to think about our little baby growing up yet.

Such a precious book! Bought it for my husband's 2nd Father's Day to read to our toddler. Made him cry by page 3. Mission accomplished! Mwahaha! ãfÂ ã Å,Ã ÆœÃ â
