Customer Reviews

I got this set of books for my stepson who loves Minecraft!! He was thrilled with them!! This set allows you to experience the life of each character and see how they interact and what they'll get into next!! The book is fun and gives you the end game or "enders' point of view. All of this is bound in paperback form (or kindle) with easy to read dialogue. This set of "Diaries" is the perfect addition to your young readers library. They're going to dig into each one with excitement!! My stepson can't wait to delve into the next!! I highly recommend this book and the entire set!!

My cousin loves this book and all the books he's read in the Diary of a Minecraft Series. We got him several books from the series so he could keep up with his school's summer reading requirement. He's nine years old and I believe he is the perfect age for this book. His brother is 12 and he said he's too old for these books - yet, I did notice him flipping through and discreetly reading these books when he thought nobody was looking. I think these are highly entertaining books that many boys and girls would love!

have boughten many of the mine craft books, I think its neat how they are broken down into days instead of chapters. The kids love these diary of a minecraft , they are a fairly easy read with a story for the kids to easy follow, highly recommend it will for sure keep the kids reading.

2nd book in this series my son has read and loved this one just as much! Still holding his attention well. He has already started another in this series. Great books that keep my son interested in reading.

Very well told story and keeps you engaged in reading, I bought this for my nephew but decided to check it out first and I believe he is going to enjoy it and hopefully improve his reading skills.

Not exactly scholarly writing, but the books are cute, and my son loves them.

My son was very pleased. He loves minecraft very much. It is all he talks about all day and night

It's a good story about an ender dragon and a minecraft player that have an adventure in the over world.
