The Ultimate Book Of Inspiring Quotes For Kids

Synopsis

Words can change people--and, ultimately, the world. In order to grow into their best selves, children need inspiration. They need positive influences and motivation to counterbalance the negative words, role models, attitudes and behaviors that too often surround them. There's nothing quite like an inspiring quote to help children think differently or shed light in a difficult or confusing moment. But great words can provide more than just insight--they can actually move you to act. The Ultimate Book of Inspiring Quotes for Kids presents a unique and compelling collection of child-friendly wisdom from many both historical greats, including Plato and Albert Einstein, as well as modern leaders, such as Nelson Mandela and Oprah Winfrey. A great addition to any classroom, home library, or child's bedside, this compilation is organized by themes, that range from courage to education to friendship. Each section begins with a brief introduction that relates the topic to kids and explains why it's important to make this value a habit. Thanks to an engaging, uplifting, and easy-to-read style, children, students and adults alike will enjoy poring over these inspiring quotes again and again--especially with gems like Helen Keller's "When we do the best that we can, we never know what miracle is wrought in our life, or in the life of another."

Mike Stutman and Kevin Conklin are devoted dads and the cofounders of InspireMyKids.com, the largest online community of inspiration for children. Recognized by the American Library Association (ALA), IMK is included in the ALA's exclusive list of Great Websites for Kids and is used in thousands of schools in over a hundred countries around the world. Deeply passionate about inspiring and enabling children to make the world a better place, the two friends and dads are driven

to share inspiring stories, quotes, and ideas that empower youth to become the best versions of themselves--and change the world for the better. Stutman is a father of four young children and currently lives in Connecticut. He holds a master's degree in international management from the Thunderbird School of Global Management. Kevin Conklin, Stutman's best man and business partner, is a father of three also living in Connecticut. He holds a master's degree in industrial psychology from Springfield College.

Great book. I've only had it for two weeks and it's already turned into a reference that's sitting out in our living room. The easy-to-scan table-of-contents and simple chapter headings ("Humility," "Empathy," "Being Proactive," "Bravery & Strength," etc) make it easy for me to quickly grab a quote before dinner that's relevant to the day's events, then discuss that quote with my children over our meal. We've had lots of good discussions - and I was also surprised by the interesting dynamic of watching my kids discuss the quotes among themselves. Overall a very, very useful book that fantastic for quickly diving into a meaningful conversation with your kids

Thought this book would be great, and originally bought it for my 13 year old son - but my 10 year old daughter grabbed it first and read it cover to cover in one sitting. She put it down and said, "this is awesome! can i read it again?" Totally recommend for kids and adults. I love how the quotes are categorized. Even used a couple in the office to inspire staff and co-workers.

So happy I was told about this book by one of my fifth grade students. I bought two copies for my own two elementary school age daughters. What a terrific way to promote positivity in their lives. I also will be using with my students. I think that it is easy these days to forget how important a positive outlook is and this book certainly helps bring that right back!

I sent it to my grandson (11) who can refer to it for encouragement and inspiration as he deals with school, sports and friendships. Congrats. Michael and Kevin. It's great to have a positive book for kids.

Even though I am a lot older than most people that read this book, I enjoyed it very much. Several quotes I still use and always will. Very enjoyable book.

Such a wonderful way to remind your children (and yourself!) about how much the right attitude

counts. Easy to read and hard to put down, this is the kind of book you can return to whenever you need a boost.

Arrived quickly, and perfect for the inspirational cards I make

Prefect!
