Kaia Ra is the world renowned Oracle for an Ascended Master High Council called The Sophia Dragon Tribe and the international bestselling author of The Sophia Code. She is a Divine Feminine

teacher, speaker, ceremonialist, medicine woman, and community leader teaching The Sophia Code channeling modality worldwide. Surviving multiple near death experiences, her living transmission is of shamanic proportions. Kaia Ra offers a Mentor with the Masters container, serves an international clientele, and leads The Heaven on Earth Prayer Collective.

As someone who channels myself and works with the Magdalene, Angelic and Diamond light codes of Source-Love creator consciousness myself, I can say without a doubt that this is powerfully activating and truly inspired material. As Kaia Ra's journey reveals so courageously, there is nothing we can't overcome to become the brilliant radiance of light that we are in human form. In addition the words of initiation dive deep into the recesses of your DNA and lovingly ignite those areas that have been more resistant to transform, providing a reverence of self that inspires us to know how deeply loved we truly are by the spiritual forces that surround us. As a journey of deeper self-discovery, I enjoyed the various voices of feminine wisdom that is the Sophia Dragon Tribe, and know that this will profoundly impact all who are willing to awaken their true nature as divine beings. This is next level soul exploration, providing a structure for any spiritual practice that wishes to embody the feminine more directly in order to find balance. If you are new to channeled material, I'd say it may take some time to absorb the high frequency of the text if you are approaching it through the mind. However if you realize it already lives in your heart, are able to trust the journey of simply reading the text and absorbing it into your heart directly...you will be ablaze with living light that can never be extinguished. Kaia Ra is a true blessing to the planet and I am grateful for her contribution here and can't wait for the next edition. Thank you, thank you, thank you.

There isn't an empty sentence in this entire book. I'm an long time, avid reader of spiritual texts and the self-help genre. I'm also a former high school English teacher. This book reminds me of Gary Zukav's Seat of Soul, but now 30 years grown, developed, matured... I often deeply appreciate the spiritual insights that various books can offer, but it's not too often that I finish a book feeling that the approach and style of the writing can provide a message for a wide variety of people. This book is challenging and inspiring. It reads like love letters from the universe. Highly recommend.

A beautiful book filled with wisdom love and help from far more than we ever imagined we could call upon for indeed that help wisdom and love. I have listened to the author on prayer calls and interviews and her love and compassion for all is so clear and beautiful. This book is a treasure for the planet and beyond.

A most powerful and sacred book. Thankyou Kaia Ra for your outstanding courage, love and surrender to the holy and the sacred.

If you are at all open to your spiritual nature this is a must read it will help you in many ways you will open up and be thrilled with your results
