Customer Reviews

World Cup skiing co-founder and journalist Lang gives us a complete history of World Cup Alpine ski racing just in time for the current season. For those who plan to attend any World Cup races or to watch them on TV, this book is valuable. It includes interesting biographies of Overall Cup winners, champions, and coaches, numerous photos, and complete men's and women's top 50 results by course with times from 1966/67 to 1985/86. Since the top World Cup racers often turn out to be Olympians, this book will still be useful as a biographical reference for the 1988 Calgary Winter Olympics. Recommended for all ski country and large public libraries. Thomas K. Fry, UCLA Libs. Copyright 1987 Reed Business Information, Inc.
