I am very disappointed with this guide book. I've spent 2 weeks in Rio and Sao Paulo and had to

use other people's books! Not well organized! And there was no real recommendations such as walking tours I've seen in Lonely Planet book. Since they only have the 1st edition, and it is printed in 2007 (I think), the info inside is fairly outdated. After looking at other guide books, I wish I had purchased either Rough Guide or Lonely Planet.

This guide was sweet and simple. Had all the main points that you'll need if visiting the area and wasn't too big and easy to keep in my pocket throughout my trip. Definitely one of the better editions I've seen.
