Dogs

Synopsis

Since the wolf first snuck into the caves of our ancestors to take warmth from the fire, dogs have been man's constant companion. Dogs, multi-award-winning photographer Tim Flach's stunning follow-up to the critically acclaimed *Equus*, delves deep into the psyche of this enduring bond with *Canis familiaris* to present an exquisite study of man's best friend. From specimens on show at Crufts and Westminster to shelter dogs lovingly rescued by volunteers; from the grace and agility of racing greyhounds to adored domestic companions; from Afghan hounds to Hungarian komondors to Chinese crested, the images featured in *Dogs* promise to deliver one of the most appealing, popular, and exciting photographic tributes to dogs ever published. Praise for *Dogs*: "The dogs he captures in these pages are, by turns, soulful, expressive, and winsome-- and all of them are stunning." --Entertainment Weekly "This book will appeal to all ages. I know this because it was lying around our house on Thanksgiving Day and everyone wanted a look at it -- from college-age to senior citizen. They all oohed and aahed. If you're a dog lover, or even a dog liker, it's a keeper." --The Christian Science Monitor "Featuring profiles of dozens of canines, *Dogs* is a divine collection of images that spotlights the endearing characteristics of different pooches, elevating them to divine status. Whether it's a troubled-looking Bloodhound or a demure Dalmatian, Flach's subjects establish a direct connection with the viewer, dog-lover or otherwise." --Flavorwire.com

As a dog & decor lover, this made perfect sense. The book is great quality & chalked full of superb, high-quality images. Guests love looking at it!

LOVE this book! My (now) husband and I chose this book to use as our guestbook at our wedding. Guests would write their well wishes on the different pages of the book. The photos are absolutely GORGEOUS! We now have the book on our coffee table and can flip through and read the notes from our wedding guests. I highly recommend it!
