Waiting On Love: A Contemporary Christian Romance

Synopsis

Is it ever too late to do the right thing? Tanya Reeves dreamed of happily-ever-afters and a family that included a husband and children, but life rarely turns out as planned, which she discovered the hard way when she got pregnant in high school. For seven years, she has raised her daughter without a father, however, the dream never died. Scott Lamar never meant to abandon his daughter and pregnant girlfriend, but life happened, and college provided a means of escape. All that changed when he found faith in God, and now he wants to make up for his past mistakes. He concocts a plan that sounds crazy to most, but he pushes forward, determined to be a part of his daughter's life. *Waiting on Love* is a bonus Christmas novella in the Modern Convenience series. It can be read as a standalone, but you can read the story of Tanya's brother, Archer, in *Calling Love*.

Customer Reviews

Tanya & Scott were high school sweethearts, but went their separate ways after devastating news. Can they reconnect after seven years? This is a wonderful story of forgiveness & letting God work in our lives. Sweet, sweet love story!

I always enjoy this author's stories. I particularly enjoyed the wedding scene where the groom gives the bride's brother an ultimatum. It was both funny & effective. It also illustrates how a good man should react under stress. I just re-reads this series in the correct order. Great life truths are illustrated in each story!

Wonderful book focused on forgiveness and how as believers we are to forgive as we have been forgiven. I read the book in one sitting, I just couldn't put it down. Looking forward to the rest of the series. Thank you Leah for such a gracious book.

I enjoyed this book very much. It is a perfect example of what using the principle of forgiveness in our lives can do. It doesn't take long to care about this little family, and cheer them on to happy ever after. I have enjoyed all Leah Atwood's books.

I loved this short but great book. The characters were lovable, the writing was great, the editing was good, and the storyline was simple, clean, and totally engaging.

Doing the right thing can take a lot of courage but the results usually make the effort worth taking. In this book the characters have to deal with forgiveness. Showing how was a lesson for each of us. Most of us deal with situations similar and will benefit from this delightful read.

Scott did the unthinkable by abandoning his girlfriend, Tanya, when she discovered she was pregnant.... Scott left for college and never looked back. Tanya has held onto hurt and resentment for 7 long years since... By putting God's word into practice Tanya and Scott find the joy in their lives that can only be obtained through true forgiveness!

Good Christian romance book. I enjoyed reading it. Youthful mistakes can be made right and life can turn out great if you trust God.
