## Synopsis

This little book introduces you to God's greatest and most personal promises—over 750 promises from God covering 70 different topics. The topics show that God's care and concern extends to all people for all time, including you! God's promises are as ancient as they are current and fresh, which means they apply as much to your past and present as they do to your future. His promises are relevant not only in your most needy hour, but also in times of blessing and even in the routine of everyday life. Knowing God's promises will help you discover what God desires for your life and how to receive and enjoy all that God has in store for you!

## Customer Reviews

I will always by this book in bulk especially during these days with people that need encouragement and Hope. These books also gets you to read more of the Bible and spreads positive Words to all

It's a great version. I've purchased over a hundred of Bible Promises books.

Grandma loves to give these as gifts, so she always keep some on hand.

So much going on right now in the world - and where does a Christian belong. Well, Christians need to stay in the written word as well as be in a personal relationship with Christ. What better than

remembering all the promises contained in the written word for living out the wonderful presence of God through Christ and by His own Spirit.

Was a gift and recipient was very pleased.

Great

I use this frequently, and I have ordered multiple copies of this book to give out. I love the NLT Bible promise book.
