Great purse-sized 2 year-calendar

Just what I needed. Works for me.

I am very satisfied with this pocket calendar. It is a very nice design and I love the different colored pages for each month. I use this daily to keep track of weekly expenses and I love it.

I like the way this is laid out. As much room as possible to write in the date squares. Quality looks good. It might just survive my purse for two years.

It's a calendar at a good price. I like having a paper calendar to write on and it does the trick. Slightly larger than the Mead brand calendar refills.

I still like a paper calendar! This is perfect for my purse, but I wish it had a small version of the month before and the month after, to check dates.

Perfect size

Pocket Calendar was as expected. Would buy again.
