The Renaissance (History Opens Windows)

Synopsis

How did people in the Renaissance live? What were their social, economic, political, and cultural lives like? How did their lives values and attitudes help shape our world? This title answers these questions and more with informative text, colorful photographs and original source materials, and clear maps and diagrams to show readers what life was like in ancient civilizations.

Product Dimensions: 9.2 x 7.7 x 0.1 inches

Shipping Weight: 5 ounces

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #1,874,671 in Books (See Top 100 in Books) #75 in Books > Children's Books > Education & Reference > History > Renaissance #880 in Books > Literature & Fiction > History & Criticism > Movements & Periods > Renaissance #937 in Books > Children's Books > Education & Reference > History > Ancient

Age Range: 7 - 9 years

Grade Level: 2 - 4

Customer Reviews

Gr 3-6-Simple but well-done basic historical information provides better-than-average insight into social forces that moved societies from the medieval era to the Renaissance and into later periods of unrest and revolt. In both books, two-page sections introduce facets of everyday life and culture, social structure, government, and factors that led to change. Colorful, eye-pleasing illustrations, reproductions of period artwork, maps, and cutaways of buildings, plus large print result in an attractive, easy-to-read format. However, the texts are often choppy. Andrew Langley's Medieval Life (1996) and Renaissance (1999, both Knopf) also provide colorful, attractive overviews of life and culture in these two periods.-Cynthia M. Sturgis, Ledding Library, Milwaukee, OR Copyright 2000 Cahners Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Shuter is a writer and former teacher.

The product was packaged well, wasn't exactly what I wanted, received what I ordered and it was delivered on time as tracking information stated...Wasn't very informative.
