When I Fell For You (Precious Moments Book 2)

Synopsis

Has a wedding planner with a commitment phobia finally found the man to make her fall head over heels in love? Reagan Richardson loves planning extravagant, classy weddings as the head planner of Precious Moments Events. Though the notion of walking down the aisle has never entered her mind — considering none of her boyfriends have ever lasted long enough thanks to her. However, meeting Dr. Blake Harrison changes all of that in a glance and she finds herself in uncharted territory. Blake knows all about Reagan's fear of commitment but that doesn't stop him from pursuing the ravishing beauty. Breaking down the wall guarding her heart isn't as easy as he thought but being with Reagan has stirred emotions in him that no other woman ever has. Can he convince her that history isn't going to repeat itself this time around?

Fun, romantic , patience, and fast paste . I've enjoyed all books in this connected 2 series . The

author , Candace , doesn't disappoint. I'm very mych attractive to a man like Blake. Blake and Reagan didn't play around, in regards to their feelings for each other. Blake knew exactly what and who he wanted and went fir the gusto. Reagan had an issue however, that she needed to resolve, before she could truly commit her heart and Blake was supportive step-by-step. She didn't scare him nor did he run away from her. I'm looking forward to the next book.

Pacing is key. I am glad to see that after Ms. Candace having to deal with her personal loss she was able to get back to sharing her passion of writing.In this story with Blake and Reagan, if you don't pay attention you'll miss the importance of how much of an impact Reagan's dad had on her life. You'll also miss the importance of forgiveness and recognizing how unforgiveness can keep you from your blessings.What you'll love about this story are the unconventional dates between Blake and Reagan. You'll also appreciate how family and friends played a pivotal part in their relationship. Zaira remember the name. You'll thank me later.I look forward to Chase and Brooklyn story. It will be a treat.

After a long wait , finally a book from one of my automatic click authors. Love Reagan and Blake awesome love story. It was so good catching up with some characters from other books re arrington series. Love the Arringtons and most certainy looking forward to Chase and Brooklyn story. This is book 2 of this romantic series and highly recommend it to romantic die hard fans.

THIS IS A MUST READ!!!! Released on 8/24 and by 08/26 I had already read this amazing book TWICE!!! Reagan and Blake are the cutest and most refreshing couple I have read in a while. The playfulness between these two and how blunt they are with one another was absolutely perfect. Here you have a man who stated exactly what he wanted hands down from the start and he would not back down for anything. Also, the female lead who tries to fight the inevitable at all costs but the harder she tries the more she falls for him. Finally, here is a book where its the "woman" with the hang ups about being in a relationship instead of the guy. You can't find too many of those but Mrs. Shaw has done it. She has a way with words that make you drift into a fantasy land and away from reality if only for a little while and you can personally see yourself as being one of the characters in the book. This was one page turning, scorching that I just could not put down. I've said it before and I'll keep saying it again....CANDACE SHAW NEEDS A MOVIE DEAL WITH (B.E.T./TVONE) and anyone else because they should definitely be on the BIG SCREEN!!! I LOVED IT AND CAN'T WAIT UNTIL THE NEXT PAGE TURNING OF THIS PRECIOUS MOMENTS SERIES. UNTIL THEN

I'LL BE READING THIS HOTNESS ON REPEAT!! #HatsOffToCandaceShaw

I was mad that I pre ordered, was teased for days, and was given only one chapter before this book hit my kindle. I must say I was extremely satisfied and can go to sleep with a smile. These Arringtons and friends are the bomb!! A true joy to read and get away from reality for a Precious Moment...kudos!!!!

Candace Shaw does not disappoint in this latest edition of the Precious Moments series. Blake and Reagan's story was beautiful and is my new favorite! I can't wait to read Brooklyn and Chase's story next. Well done!

Reagan and Blake are the perfect love at first sight couple. While they have a number of mutual acquaintances they have never actually met. When happenstance brings them together one morning on the beach, their attraction sizzles. This all while she is dealing with her daddy issues. I can't wait to read when Brooklyn finally gets her man.

This was such a sweet story of Reagan & Blake. Although Reagan tried to fight it, she couldn't help falling for the one who broke through her insecurities and stole her heart. It was also great catching up with Zaria, Brooklyn, Justin & Shelbi.
