Dance For A Harvest

Synopsis

DANCE FOR A HARVEST is a book that instructs those laborers wanting to go deeper into the things of God and to be used more mightily in these last days. Written by dance veteran Lucie Poirier, you'll read how she went from exotic dancer to dancing before God Himself. She provides candid and valuable insight into not just the dance, but how to become a weapon in the hands of the Living God, regardless of your calling and ministry. This book offers the reader:

- A description of what the dance communicates in the spirit realm;
- A reference guide for dancers that provides details on how to empower your dance;
- Biblically-sound teaching and advice on recognizing your authority, identity and place in Jesus Christ and how to use this knowledge to properly and effectively wield your weapon of warfare;
- The "what, when, where, why and how-to" that's needed for these end times, not just for dancers, but for anyone in ministry;

Lucie helped me find the dancer inside of me and built my confidence in the dance. Melody Bolduc Worship Leader

This is a must-read book. It's full of wisdom and "aha!" moments that intensifies your spiritual walk with the Lord. I was truly blessed by this book and would highly recommend putting it at the top of your list of reading material, regardless of your area of ministry or your calling. Sherrie Clark Writer & Editor

This is a well thought out and written discourse on how Christian Kingdom Dancers can be more effective. It points out the purposes of dance that have not been discussed in other books. It gives scriptural basis for being more aware of what you are doing when you dance. It also relates the

author's past and present experience with dance. I have read many books on Christian Dance, and this is the most original.

In the words of Lucie Poirier "The idea is that dancers find their identity in my book." With out knowing this was here mission for the book, that is exactly what happened within the first few chapters I began to find my identity and God began to confirm his call on my life for prophetic dance. When it was first prophesied to me of my gift for the prophetic dance, I did not tell anyone I was bound because people talked about "dance" but no one was talking about the prophetic dance. Until I read Lucie's book did I begin to see the importance of the anointed dance that God wishes to bring forth in the earth. I have learned so much from this book. I highly recommend this book to any dancer who wants to change the atmosphere with their dance!

Dance for a Harvest is an information packed book which explains dance as worship, but it goes way beyond that. Lucie does an excellent job describing how dance is a form of intercessory prayer. The revelation about dancing for a harvest is scriptural based and would benefit the novelist and most experienced dancer alike. I enjoyed reading this book and will be recommending Dance for a Harvest to others.

My heart is dancing...My spirit is dancing...My soul is dancing! Minister Lucie Poirier thank you so much for allowing Holy Spirit to outpour divinely from God's throne of grace...deeply in the inner courts using your hands and heart to write DANCE FOR A HARVEST! I only want the clean going in my temple created for the Lord! The music from Heaven created to bring Him glory! Every ounce of my being wants to dance and bring Him glory!! I mean this with my wholeheart when I say that you Lucie Poirier are a mid-wife in the spirit for dance!
