Getting To The Roots Of Social Studies Vocabulary Levels 6-8 (Getting To The Roots Of Content-Area Vocabulary)

Synopsis

Make learning social studies vocabulary fun and interesting with a roots-based approach! This resource, geared towards secondary grades, focuses on root words for social studies. Teaching tips and strategies, standards-based lessons, and student activity pages are included to make teaching a breeze and learning fun! By implementing these resources into your vocabulary instruction, students will expand their vocabularies by learning how words are built from the roots up!About Shell Education Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
