Shipping Weight: 11.2 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #635,133 in Books (See Top 100 in Books) #3 in [Books > Travel > United States > New Hampshire](#) #484 in [Books > Travel > United States > Midwest](#) #487 in [Books > Travel > United States > Northeast > New England](#)

## Customer Reviews

Living in California, I don't get a chance to hike in New Hampshire as often as I would like. But when I do, I always take this lightweight guide along in my car and in the pack. The best part about the guide is that hikes are described in detail and directions to each trailhead are given in exhaustive detail. This is especially important for out-of-towners who aren't familiar with the back country roads. The authors have hiked each of the trails and they offer pithy comments on trail conditions, the possibility of seeing wildlife and other pertinent information. There is a separate section on the magnificent Cosos Trail, the 200+ mile hike which runs from the border of NH to the Canadian border. My one slight criticism is the maps, which could be of better quality, but the text, route descriptions and ancillary material are of high quality. The descriptions of day hikes around Pinkham Notch are excellent!

This book is a font of information -- everything you need to know about hiking in New Hampshire! The hiking trails have been well-researched, and the author evaluates the difficulty of each trail. Makes a great gift for the adventurer in your family!
