Customer Reviews

Helga Jiang is a clay charm expert and a YouTube sensation. With dozens of clay charm tutorials, her channel has become a sensation throughout the craft community. She lives in Ontario, Canada.

Price is perfection, directions on the animals at least are great (the foods seems a bit excessive just

for me) and I had a blast!

Nice projects with clear instructions. However we bought this book specifically for the instructions to make the nesting doll earrings featured on the cover but they aren't included in the book. We're very disappointed as we have many other clay miniature books.

Simple and easy to use. Even had some projects I have not seen. Can't wait go try them out!
Recommend!

I watch all Helga's vids and let me tell you she is amazing and so inspirational and it is definitely worth the 8.99
