Customer Reviews

"The Five Roses Cookbook Prize Butter Tarts recipe is literally the only butter tart recipe that my family has ever used. Period. We don't stray away from it, we don't mess with it. . . The Five Roses Cookbook Prize Butter Tarts recipe is perfection." — [thekitchenmagpie.com](#)

Elizabeth Driver is an editor and writer who has spent over twenty years researching the culinary history of Canada and Britain. She is fascinated by the history of food and an avid collector of cookbooks and antique kitchenware. Elizabeth lives with her husband and two children in Toronto, where she is the Foodways Program Officer at Montgomery's Inn museum. She demonstrates such historic techniques as cooking on an open hearth, returning home most days with the smell of wood smoke on her clothes. Elizabeth is a past President of the Culinary Historians of Ontario. She is the recipient of the Tremaine Medal for 2007 from The Bibliographical Society of Canada and in 2009 she was inducted into Taste Canada's Hall of Fame.

I received my copy of this book in the 80's. Mom had hers from the 60's, and Grandma had one, too. My spiral-bound treasure was starting to fall apart from years of use, so I was excited to see this reprint. Upon its arrival, I was very disappointed to find that it is not

spiral-bound like earlier editions. I would have taken it to be rebound if only the centre margin was left wide enough for a binding. *sigh* I dragged out my tried-and-true copy, the one with the pages falling out, and started using it again.

I have loved this book for years and pretty much learned to cook from it as a teenager. Finally found it again after decades. Best bread recipe ever in here.

I am disappointed because the recipes are not all identical to the ones in my older edition. The pages are also smaller and there are no colour photographs that add personality to the book. It is also missing the wire ring binding that my older edition had. It cannot lay flat on the table and this makes it difficult to read and follow recipes while cooking.

I HAD ONE OF THESE COOK BOOKS THAT MY NANNY GAVE ME WHEN I WAS A TEENAGER AND IT HAS BEEN SO WORN OUT AND PAGES FALLING OFF AND I HAVE HAD A WAR WITH MY DAUGHTERS TRYING TO KEEP IT IN MY HOUSE. LOL WELL I GOT IT BACK AND FOUND NEW ONE'S SO I CAN GIVE THEM BOTH ONE OF THERE VERY OWN. I HAVE BEEN TRYING TO GET THIS COOK BOOK FOR YEARS AND HERE IT IS SO GREAT TO FIND IT. THIS IS SO WELL WORTH IT AND THE SMALL TIME I HAD TO WAIT FOR IT. I LOVE THIS BOOK AND YOU WOULD TO IF YOU LOVE TO COOK OR BAKE THINGS ... SO MANY GREAT RECEIPIES SUCH AS THE BANANA NUT LOAF YOU WILL LOVE IT.

This little book is full of grandmas cooking recipes. My grandmother cooked with it the whole time I was growing up and I was so happy to get a copy of the original. Every page I opened brought back the taste and smell of the oldhome where I was raised. These are simple, easy, and tasty, not calorie laden, recipes for the everyday home. Try it!!

I have the original five roses cook book but it has seen better days from lots of use. A lot of my Favorite pages are now loose in the book as they tore off. So I wanted to replace it. I found that the new book does not have all the recipes, the ones that I loved of course. I wish I could get the exact book. So, I would rate it 3 1/2 stars because of this

My mother used the Five Roses cookbook when I was a child and I don't think she ever replaced it. The pages were covered in splatters from our attempts to bake, preserve and cook. She actually

adapted many of the recipes to use in her small bake shop that she had for a lot of years. I still have that book but now many of the pages are missing and the ones that are there are hard to read. It was no decision at all to replace that book for my own children, grandchildren and now great grandchildren. I know it will become a family heirloom for them and anyone that uses it!

I had this book many years ago and lost it-at that time it was given free and I gave to my Mom, sisters, excellent recipes.
