Multicultural Health

Synopsis

Fully updated and expanded, the Second Edition of Multicultural Health serves as a comprehensive guide for healthcare workers in any cultural community. Focusing on differences in cultural beliefs about health and illness, and models for cross-cultural health and communication, this text helps students and professionals learn effective ways to implement health promotion programs and program evaluation across cultures. - NEW! - Full color design and art program - NEW! - A Student Activity added to each chapter to challenge student comprehension. - NEW! - Two new Feature Boxes Added to each chapter titled, What do you think? and Did you Know?, to engage readers and enhance critical thinking. - NEW! - Chapter 3, Worldview and Health Decisions provides information about the ways that worldview and communication impacts health, the provision of health services, health care decisions, and communication

Customer Reviews

Excellent book. A keeper.

Easy to follow and offers concise explanations.

The book was practically brand new i didnt want to write in it. And i sent it back in ver good condition.

I had to return item. I only received half of my refund for this item. Item was returned in its original state.

Well written, and thorough.
