Jack Jewers has written about Ireland for Frommer's since 2006. Born and raised in England, he loved listening to his great aunt's tales about life in Dublin during the civil war. Jack proposed to his Irish-American wife at a spa on the Ring of Kerry. He gives it a great review in this book. Jack and his wife reside in Surrey, England.

This book really helps with planning my upcoming trip to Ireland. Lots of information on things to see, where to shop and where to eat. Very easy to read.

We are planning a trip to Ireland this spring. This book is a big help in mapping out our Itinerary.

Excellent travel book and it comes with a medium size map.

Great travel guide. Just the right size unlike the larger version. Great fit and weight to slide right in your purse.

Made the trip more enjoyable.

I put the Guide on my Kindle. The written part is very good. The maps are not interactive for the Kindle, I wasn't able to click on them and make them larger (that I could figure out how to do). The maps were useless because the print is so small on the Kindle.

Tons of information. Very informative. Used this to plan my trip and will be taking it with me to Ireland in October.

Bought this (along with Rick Steves) to plan a trip. I really like it.
