The John Wayne Code: Wit, Wisdom And Timeless Advice

Synopsis

John Wayne was more than a movie star. He was a symbol for everything good and decent about America, inspiring everyday people to reach just a little bit more and try a little bit harder. During his 72 years and more than 150 movies, John Wayne imparted a seemingly-endless amount of advice, wisdom and good old-fashioned common sense to his audiences, and that wealth of knowledge has been collected together for the first time by the people who loved and knew him best. The John Wayne Code is filled with the icon's most insightful quotes, personal stories from his family and friends, and advice for how to be a better person. This personal collector's item makes the perfect companion for any fan of Duke who wants to make their life a little more legendary.

The Editors of The Official John Wayne Magazine publish a highly successful bimonthly magazine with a circulation of over 225,000 copies worldwide. The John Wayne magazine boasts a devoted loyal following dedicated to his memory.

The John Wayne Code is WONDERFUL collection of Mr. Wayne's quotes and stories that reflect his Values and Morals. As is shown in every one of his movies, John Wayne LIVED by a very specific Code. This book also shows that he passed his Code on to his Children too!

Fine memento, if somewhat duplicative of previous volumes, of perhaps greatest western movie star

of all time. Leather like binding is nice touch. Recommend.

Cool book with nice cover very interesting stories.

It's a collection of quotes from the Duke and some pictures from his life. Wish there was more "story" behind them! Bought this for my husband and the book itself is as advertised I just wish there was more content.

Great memory book about John Wayne.

A perfect quick read for a true John Wayne fan!

no review needed I just love John Wayne

Love it
