The Ultimate Key West Bar Guide (The Ultimate Bar Guide Series Book 1)

Synopsis

Let The Ultimate Key West Bar Guide be your "passport to paradise" as Mark Lee takes you to some of his favorite places in Key West and in the process gives you a few facts and colorful background about what makes each place special to him. In addition he'll point out some of the signature drinks and dishes of the each bar. He also draws upon his experiences to point out some of the most popular attractions and things to see. Most of the photos are pulled from his personal library from his most recent trip in November 2014 where he and his wife experienced the local hospitality including the yearly Superboat Races that were in town that week. Mark's interest in Key West and the Florida Keys grew from hearing stories from his dad about his own childhood experiences in South Florida. His uncle lived in Homestead and would take him on fishing trips in the Keys where they would catch Tarpon and other fish of the islands. His dad painted a picture of a lush tropical group of islands that very different from his rural Georgia home and were covered in tall coconut palms surrounded by crystal clear waters. This led to Mark and his wife's first trip to Key West back in January 1999, and he was hooked for life. This book came about out of Mark's love for the Florida Keys and he hopes that you'll plan your own adventure there and discover its many treasures. Come see for yourself what a great time is waiting for you in Key West, make your own memories, and have the time of your life!

Customer Reviews

This is a fun read and it's going with me on my next trip to Key West in June. I've been to KW a number of times, most recently last November. I'm going to spend a week in Key West again in June to celebrate my birthday and I already have registered for the 2017 Meeting of the Minds (Jimmy Buffet & TropRock fans will know what that is) in November in Key West

Must have book if you visit the Keys! Don't let the title fool you - it provides restaurant and accommodation information as well.

Not just a bar guide - it is a great overall tourist guide. Covers all events for the entire year, how to travel there and a little bit of what to see in all the keys. Provides web sites for everything that is covered.

What a fun book to read! Very good descriptions of Key West bar scene and other attractions. Great guide to take to Key West when I go for adventuring there. Historical descriptions of these unique places are provided also.

Great book

I loved it!

Didn't give info on the off the beaten tourist path. So wasn't helpful to me.

The great thing about this book is that it gives so much more than you initially expect. Of course it gives you reviews on bars, however in doing so, with many it also gives the bar's history as well. In addition to that, it also steps out and gives the reader other things to do while they are in town, in addition to informing you on the various ways to get to Key West, places to stay, the festivals, you name it!
