Business And Its Environment (7th Edition)

Synopsis

Businesses compete in many ways, including nonmarket areas like corporate responsibility. Learn how to sharpen your firm's competitive edge. Baron's integrated approach combines the disciplines of economics, political science, law, and ethics to provide a deeper understanding of the managerial issues that arise in the business landscape. The seventh edition includes four new chapters on financial markets and their regulation, the investor's perspective and renewable power, the political economy of India, and behavioral ethics. The book also includes 26 new cases on timely topics.

Customer Reviews

great! exactly what i needed

excellent book!!

For \$235 you would think that it would be a new book. This one is in terrible condition!

Smooth transaction although I hate to say "I love the product" because it is a text book and we all know what that means:)

great book, even better quality!!

Excellent product. !!!

Great price and great condition. It was a bargain.

Not for bedtime reading but worked for my MBA.
