A Bed Of Your Own

Synopsis

Here's the perfect bedtime story parents can read to children who have trouble falling asleep at night. It's the newest rhyming adventure of Suzy Sue, who is "---ready for bed, just like you! She brushed her teeth. She picked up her Ted . . . She clambered and climbed into her bed." But Suzy Sue can't fall asleep, because she simply can't get comfortable in her bed. She soon discovers why. A cow and a horse and a sheep and a goat are all crowding in and trying to share space with her. Children will laugh at this comical fantasy--and many kids will identify with the little girl who can't fall asleep at bedtime. Big, funny, full-color illustrations complement the story on every page

Customer Reviews

An ideal book for bedtime ... funny with an appealing centre character ... accompanied by fabulously funny illustrations The Bookbag A funny rhyming story perfect to send little ones to sleep Baby & Me Join Suzy Sue as she settles down to sleep in this idea bedtime story Parents In Touch Praise for Atchoo: 'an entertaining and lively tale.' Junior Praise for Atchoo: 'an entertaining and lively tale.' Junior --This text refers to an out of print or unavailable edition of this title.

Mij Kelly is the author of two more Suzy Sue stories, both available in North America from Barron's. Mary McQuillan has illustrated many children's picture books, including two previously

published Suzy Sue stories.

It didn't take long before my 2 1/2 year old could recite this book from memory. She loves it!! Now, to be honest though, it hasn't helped her stay in her own bed or go to sleep any easier but she loves the book..

An adorable book that opens up conversation about what might be scary or uncomfortable about switching to a bed. I like that it doesn't specify moving from a crib and can relate to a toddler who has bed shared.

The book is pretty cute. My toddler requests it pretty frequently for her bedtime story. As we are trying to get her to sleep more through the night in her own bed. It seems moderately helpful. But mostly a cute story with pretty illustrations.

My daughter just barely turned 3 and I ordered The Potty Book which really helped her with potty training! I was hoping this book could do the same with going to bed by herself. She's slept with me since she was born and still wants me to lay in her bed with her until she falls asleep. It's only been a week of reading it to her so far so we will see if it helps.. Overall it's a good read and my daughter loves it!

This book quickly became a favorite, and was just what I wanted after transforming my 4 year old's toddler bed into a full size one. Near the end of the book, it's a small reminder to think pleasant thoughts and clear her mind before she falls asleep in HER OWN bed... and it's enjoyable to read, too!

This is my 3 year old's favorite book. Suzy Sue is positively adorable and is quite the girl! We even gave these as favors for her birthday!

Very cute book about going to bed. My kid loves farm animals so she really loved this book.

Super cute. We got a few books to help my 2 YO transition from her crib to her toddler bed and this has been (BY FAR) the winner and favorite of the bunch! Reco for slightly older kids, too!
