My daughter has struggled with reading for several years. This book, because of the "comic book" version it is written in has her reading independently and with enthusiasm for the first time. I hope they continue with the rest of the series because if they do I will buy them ALL for her.

My 9 year old daughter loves these graphic novel books! We were so sad to learn that they are only making 4 of this series in graphic novels. Cute story line- same as the ones I read when I was a kid. These books are great for the kids who are still a little intimidated by a regular chapter book and for the ones who love to see pictures with what they are reading.

I gave this book five stars because this book is colorful and interesting to all ages ,and it is one of my favorite books ever!!! I loved it!

My daughter (10) got all four of the books within this series for Christmas and had them finished within three days. She has since reread them multiple times and given them as birthday gifts multiple times.

AMAZING! This is a fantastic series of books that are perfect for anyone who loves reading and art. The stories are engaging and the artwork is beautiful. I highly recommend this series to anyone looking for a new way to read.

In the third book in the Babysitters Club Series, Mary Anne goes through many tragic episodes. The illustrations clearly capture the events in the book. I love the work of brilliance and this obviously shows.

Bought this book for our Granddaughter's ninth birthday, she really likes this series of books.
