Customer Reviews

Very helpful for saving money on fuel, places to get your pet ashore, and anchorages along the Intra-Coastal waterway. The tips, cautions, and general information about destinations and side trips are really valuable. Well worth the \$20.00 the authors advice on fuel stops.it will save you that much with your first stop.

Lots of good information. The layout of the book is less than desirable and could be edited much better.

A must have guidebook for cruising the ICW. Valuable info for anchorages, fuel, pet stops, and destinations and side trips. Well worth 20 Bucks.
