Arena Legacy: The Heritage Of American Rodeo (The Western Legacies Series)

Synopsis

From its roots in cowboy and vaquero culture to the big-business excitement of today's National Finals competitions, rodeo has embodied the rugged individualism and competitive spirit of the American West. Now the long trajectory of rodeo culture comes fully alive in *Arena Legacy*. Showcasing the unrivaled collections of the National Cowboy & Western Heritage Museum, this lavishly illustrated volume is the first to depict rodeo's material and graphic heritage. Richard Rattenbury opens *Arena Legacy* with an engaging and richly illustrated history of rodeo, from its first recorded competition in Colorado in 1869, to its role in county fairs, cattlemen's conventions, and old settlers reunions across the West, to its rise to national prominence between 1920 and 1960. Following its historical overview, *Arena Legacy* features an extensive pictorial gallery of signature materials. A series of colorful portfolios reveals treasured artifacts from rodeo life, including costumes, trophies, buckles, and riding equipment. Here the reader will discover lavish artistry in leather and silver, flamboyant expression in western dress, and the interpretive work of both fine artists and commercial illustrators. Certain to delight a diverse audience of rodeo aficionados, participants, collectors, and historians, this stunning volume is a fitting tribute to America's truly western sport. Winner -- 2011 Independent Book Publishers IPPY SILVER AWARD for Coffee Table Book Finalist -- 2011 Oklahoma Book Awards for Non-Fiction Finalist -- 2011 Oklahoma Book Awards for Design and Photography

Customer Reviews

“I thought that I knew all there was to know about rodeo until I read Arena Legacy”
Larry Mahan

Richard C. Rattenbury earned a B.A. degree in history from Texas Christian University and an M.A. in museum studies from Texas Tech University. Rattenbury formerly held curatorial positions with the Winchester Museum at the Buffalo Bill Historical Center, Cody, Wyoming, and with the Panhandle-Plains Historical Museum, Canyon, Texas. He has served as curator of history at the National Cowboy & Western Heritage Museum since 1987 and is the author of *Hunting the American West*, *The Art of American Arms Makers*, and *Packing Iron: Gunleather of the Frontier West*. Richard resides with his wife, Suzette, in Edmond, Oklahoma. Ed Muno is former Curator of Art at the National Cowboy & Western Heritage Museum and an object photographer of wide repute.

Amazing look at the history of rodeo. The book to buy on the subject.

For Christmas we gave this book to our 97 year old dad who grew up in Texas and Oklahoma. He LOVES it! He was especially thrilled to find he had known many of the rodeo people who are featured in the book.

Giving as a gift! For a rodeo lover.

Exactly as advertised.

This is a great book that describes how rodeo got it's start and all the people that helped. Great pictures of saddles, boots, spurs, and chaps from the past. Very enjoyable.

I purchased this book as a request from my dad. He was pleased with the price compared to what he could find it for elsewhere. He has spent much of his time pouring over its content and photos!

Excellent book

Wonderful book!
