# The Everything Mediterranean Cookbook: Includes Homemade Greek Yogurt, Risotto With Smoked Eggplant, Chianti Chicken, Roasted Sea Bass With Potatoes And ... Tarts And Hundreds More! (Everything®)

## Synopsis

Hundreds of recipes for healthy Mediterranean meals! People who live in the Mediterranean region enjoy one of the healthiest diets in the world--they have the lowest rates of chronic diseases and one of the highest life expectancies in the world. Thanks to a local diet rich in vegetables, fruits, whole grains, nuts, and of course, olive oil, a healthy lifestyle is a staple of the Mediterranean culture. Open The Everything Mediterranean Cookbook, 2nd Edition to find 300 of the most sumptuous--and healthy--recipes that the Mediterranean has to offer, including: Breakfast baklava french toast Fried calamari Roasted beets with almond-potato skordalia Greek summer sangria Lemon meringue phyllo tarts Just because you don't live in the Mediterranean doesn't mean you can't eat like you do! With this easy-to-use cookbook, you have everything you need to enjoy the lush, vibrant foods of the Mediterranean--all at home!

## Customer Reviews

I have followed his Kalofagas blog for years, and have enjoyed many of his recipes posted on his blog. I am in awe of his tireless energy in maintaining the website and supporting Greece and things Greek. The book will be a great addition to our Mediterranean collection. I wish it were in hardback,

as it will receive heavy usage and wear out before long! I wish I lived close to Toronto so I could join his numerous Greek themed dinners there.

Not for beginners. In quite a few recipes one or more items in the list of ingredients are not called out in the directions and the directions call out ingredients the are not listed. Steps are missing and not in order. This book needs a better editor. Although, some of the recipes are quite nice if you know what to do.

Love this line of cookbooks

Love love love this cookbook! I'm slowly making my way through it!

I bought this as a gift for a friend who has been trying the Mediterranean Diet. She likes it. I'm not sure I would buy it for myself because it has lot of recipes for vegetables that I really don't care for (e.g. eggplant and squash). My friend has promised to make me some of the dishes to help me change my mind since she does like it so much.

great product

Gotta try more recipes in order that I can give this a great review but so far it seems good.

Peter Minaki is the real deal when it comes to Greek cooking. Ive been cooking recipes from his blog and was ecstatic to see him come out with a book. Ive tried quite a few recipe sin this book now and they are all winners so far
