El yoga ofrece tantos beneficios para la mente, el cuerpo, y el alma que es maravilloso que los ninos empiecen a practicarlo desde muy pequenos. La mejor forma de lograr esto es de hacerlo divertido - y este libro lo hace con certeza. Con sus bellas ilustraciones y sus cuentitos instructivos, Teresa hace que el aprendizaje del yoga se convierta en juego. Ã Â¡Me encanta! --Mariel Hemingway, actriz y mama coautora de Be YOU Now! Hay muchas personas que piensan que el yoga es solo para adultos, pero este libro nos hace dar cuenta de que los beneficios del yoga pueden ser ahora compartidos también con los niños, permitiéndoles disfrutar plenamente de la vida al mantenerse activos y sanos, comenzando desde pequeños. --Sinjin Smith, Campeón olímpico y mundial del voleibol en la arena

This is organized by the English alphabet- not the Spanish one- the English words are listed, along with the Spanish translation (which is obviously not in alphabetical order) and an explanation of the pose in Spanish. I do like the book, but would not have purchased it in Spanish if I had known this. I'll keep it because we'll still use it for the poses, but buyers beware.

Good pictures. I loved the English version, and I wanted the Spanish version for future usage. Thank you very much.

my kid loves it. wonderful book that teaches the basics of yoga in a simple way. highly recommend it. wonderful

Its not a great deal but It gives you ideas for naming the postures making It more Fun for class and for kids

I am sure it as good at the English version of the book. I bought this one by mistake.

I use this for school at our bilingual school.

I wanted the English version accidentally clicked Spanish version...its ok you can do the ones that have pictures but I have no idea what the description says..Hope the poster isn't in Spanish...

Great purchase
