Customer Reviews

As far as traveling guide for Kauai this book is a total disappointment because tells you nearly nothing about the things you can do on this beautifully enchanting island. Save time and money for something (anything) else.

Even at the 99 cents I paid for it, this wasn't worth it. It is only a few pages long, and contains no real advice, except to pick up a pack of Kauai cards, and choose several per day, and your group has to at least visit that place in the course of the day.

Thorough coverage of things to do And things to see. Plus helpful,easy to read,good maps. Fills need. For dependable information for travelers.

Some of my best vacations were using the spontaneous method described in this book. Your vacation can become an adventure!

I would not recommend this e-book to a friend unless it was a group going to Kauai for the first time - then with hesitation. I suspect that the so-called suggested 'deck of cards' is promoting private businesses - i.e. the dive shop example in Poipu area. I am very glad that I paid under a \$1 for this.

Absolute garbage and total waste of money and time. I cannot believe that allowed this scam piece of junk to be listed and pushed on their customers. Get rid of these idiots!

This little book contains a great idea that could be used to placate the whole family and/or group. What adventures await? It won't take long to find out!
