Corfu Villages: Southern Region

Synopsis

Part 3 of the Corfu villages eBook trilogy has took me to the South of the Island. It has been a great experience and has completed my voyage to all of the areas of the central, north and south of the Island of Corfu. Geographically, the Island is approximately 63 kilometres long (39 miles) and 28 kilometres at its widest point (17 miles). In the three years it has taken to write the books I have amassed over 3,000 kilometres on my scooter.
