The Enduring Legacy Of Ancient China

Synopsis

Both an illustrated teacher's guide and a textbook, *The Enduring Legacy of Ancient China: Primary Source Lessons for Teachers and Students* offers teachers and students a treasure trove of resources. Authored by Primary Source, the book and CD-ROM combine thoughtful lessons with vivid, authentic materials that create opportunities for students to form their own understanding of Chinese culture and artifacts. The first of two volumes, it will be followed by a companion on modern China. The lessons in *The Enduring Legacy of Ancient China* are organized in a modular way so teachers have the flexibility to select the order in which they teach an entire course. Schools who do not offer a course dedicated to Chinese culture may choose one or more chapters as China segments within their existing world studies course. The first of two volumes, *The Enduring Legacy of Ancient China* will be followed by a companion on modern China.

Book Information

Paperback: 298 pages

Publisher: Cheng & Tsui (May 30, 2006)

Language: English
