Customer Reviews

At Braelaw Manor in Scotland, Jackston Forbes and Lizelle Menzies were children playing together. Lizelle demanded Jack marry her and be true to her. Jack went to England to train and became a knight well loved by all. His Hidden Heart was very kind to everyone. Lizelle was a spoiled child and grew up as a mean spirited, cruel woman with a black heart. When Jack came home thirteen years

later, he went to tell Lizelle that he would not marry her. He met Rora for the second time and she was a servant to Lizelle who was very cruel to her. Things got heated up as his attraction for Rora was evident. You will not want to miss this heart warming story and find that the House of Forbes in Scotland was about to rise again thru his son Donnie.

I enjoyed reading about Jackston Forbes story from a young 12 year old to a knight with a 19 year old son. In the story you find that his love of England was greater than Scotland. His refusal of marriage to Lizelle (a Spoiled Brat) to his marriage to Rora. This is a very good story.

I was really excited to read this new version of The Highlander's Hidden Heart. The hero, Jackston Forbes, is a descendant of Gart Forbes, whose story was told in Archangel. Any story related to the Forbes family is something I look forward to reading. While I loved reading about Jackston and Lizelle's childhood together, I was so happy he didn't end up marrying her. Rora was a great heroine, in my opinion, so dreams do come true. I'm looking forward to reading more stories of the Forbes family in the future.

Oh how I loved this story of Jackston Forbes and Rora. As always with Kathryn Le Veque, I wish there was more! Hoping there is a story for Donnan Forbes at Blackdog Castle in the Scottish Highlands in the near future.

This was a sweet story just a little short. As you put it it is a novella not a novel. Enjoyed the characters Jackson and Rora's Love Story . Hope one day Donnan story will be written.

This is a short but eventful story. The heart knows sometimes before your mind does what a person really wants. You will enjoy this tale and wish it was longer.

I just couldn't get into this book.

I enjoyed this book, my only complaint is it isn't long enough. I wanted more of there story. But still good reading.
