A Call To Prayer (Sacred Performer Collections)

Synopsis

A Call to Prayer contains 10 favorite hymns skillfully arranged for early advanced piano by Melody Bober. These arrangements are inspired by a quote from Philippians 4:6: Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. These beautiful melodies will encourage listeners to pray and be thankful. Additionally, approximate performance times are included with each arrangement, making them easy to incorporate into church services. They will also provide hours of comfort and enjoyment at home. Titles: Amazing Grace * Be Still My Soul (with It Is Well with My Soul) * Be Thou My Vision * He Leadeth Me * I Surrender All * Just a Closer Walk with Thee * Just As I Am * Sweet Hour of Prayer * Turn Your Eyes Upon Jesus * What a Friend We Have in Jesus. 44 pages.

Customer Reviews

I totally agree with the other previous reviews. This music is interesting and lovely, with the flowing quality I enjoy. Each hymn arrangement is very accessible to an intermediate pianist, though labeled early advanced. For someone playing at church on a regular basis, it is so good to be able to pick up a new book and, with just a few short practice sessions, use almost every piece immediately. (P.S. I am really thankful to those who review the piano and organ books they purchase. It is an enormous help to those of us who are church musicians, and who seek new music constantly.)

wonderful book with easy pieces for an intermediate pianist. I am early advanced and was able to play about 1/2 of the songs without any really practice. So if you want a quick song for Sunday this is the book. And although these arrangements are more simplistic at times, they still are gorgeous! You will not be dissappointed with this!

Very nice arrangements for the intermediate student...

I'm a beginner intermediate and this book is perfect. It sounds much harder then the songs actually are. They have a beautiful flow and they don't all sound the same as some arrangements can. GREAT book!

This book has most of my favorite hymns. Each arrangement is very artistic. Some are easier to sight-read than others. I plan to use all of the songs for the pianist at my wedding. Some songs are bouncy and some slower. It's a good mix of styles.

I was pleasantly surprised to discover that Ms. Bober has quite a few books of sacred music. I've really enjoyed working on these pieces and have been challenged by them. So grateful to have found Ms. Bober as a composer & arranger.

Just what I needed!!!

I have already used these for Communion music and they are very nicely written and put together. They can be used either together or singly and will work very nicely for times when I would rather play piano than organ.
