## Synopsis

BEYOND GRACE – A S RAINBOW\*Book of the Year in the 2013 Kindle Book Awards\*\*Winner of the Romantic eBook of the Year at the Festival of Romance\*\*A Bord Gais Book Club Recommended Read\*Beyond Grace – A S Rainbow is the deeply emotional and poignant story of young single mother Grace Devlin. When Grace is diagnosed with cancer her best chance of survival is to find a bone marrow transplant from a family member. Only Grace is adopted and her one previous attempt to connect with her birth mother resulted in bitter disappointment. But with her young son, Jack, to think about, and the return of her ex Liam, Jack's father, reminding her of feelings she'd thought she'd buried long ago, Grace refuses to give up hope just yet. With the help of her friends she bravely embarks on a journey of discovery. This search will bring her from her home in vibrant Dublin to the unspoilt beauty of Wexford where she must unravel a web of lies and deceit that has spanned over thirty years. With a wonderful cast of supporting characters and plenty of charm, this will have you laughing and crying at the turn of a page. Carmel Harrington is an exciting new Irish voice in women's fiction – a must read for fans of Cecilia Ahern!

## Customer Reviews

A good read. A good ending. A good message. I gave it 3 stars because using cancer is always an easy and sure way to evoke tears, and having lost a few people to cancer I don't want to go there anymore. It hurts and everyone's story is unique. Sometimes it seems books and films can only reach so far. Maybe that is the way it should be.

This story is true to its title. The theme of the rainbow is woven throughout the book, and once you have read this story, the true meaning of the title becomes so tenderly clear. I found myself cheering for a happily ever after outcome in many of the conflicts and challenges the characters faced. I hoped that every sad situation would turn around for good as I expectantly turned the pages. If only that were the case in real life, right? I enjoyed the relationships of these close knit friends become family, and their deep and unwavering loyalty to one another. True friendships to the moon and back. Oh did I mention the characters...so charming, takes a bit of getting used to. This book doesn't disappoint, on the contrary, it's a ray of hope...

This was a very good story well told with a very interesting and loving cast of well developed characters! Be prepared to experience a host of emotions....highs and lows.....and for me many tears! So glad I read it!

I loved this book from start to finish. The characters were believable, funny, witty. The twist throughout kept my interest. I can tell it is a fabulous book when I can immerse myself in the story and hate to put it down for a minute!

I knew what was going to happen but I cried anyway. It was a good story but, of course, sad.

An emotional roller coaster for readers who follow Grace and her close group of friends. Many wishes will come true for them, but one will not.

Interesting book; but sad ending. I started reading this book, then put it down for a while because the theme hit close to home. I did finish it, but it took awhile.

This book, oh my! The author did a fantastic job bringing the characters to life and engaging you in the story. This book will evoke just about every emotion that you have! Well done!!
