Roadside Road Bike Maintenance Manual

Synopsis

Provides road bike enthusiasts with step-by-step guidance to maintaining and repairing their bikes, combining an easy-to-use format and design with high quality photographs of the latest equipment, tools and techniques. Understanding how to maintain a road bike is a necessary skill. This book guides the reader through every repair possible and give tips on how to spot the early warning signs of trouble so that the problem can be fixed before it leads to costly replacements. The spiral bound design allows the book open flat so the reader can easily follow the fully illustrated step-by-step guidance. It is the perfect reference manual for the workshop or the backpack with lots of tips on how to conduct quick repairs for trouble out on the road.
