The Talking Bird (Incl. 1 CD) (Chinese Edition)

Synopsis

Chinese Graded Readers of the Chinese Library Series is a set of Chinese graded readers designed for overseas children. These stories, short in length, are vividly told in interesting and simple language and illustrated by beautiful pictures. Fully in view of beginners' reality, this set of books uses carefully-chosen words to develop the plot and make it possible for children in a confined language environment to enjoy more pleasure in reading and learning Chinese language and the culture it represents. After the story is told, exercises and an extended reading material at the end of each book can be used for reference by students and their teacher. The word list, arranged before the story is told, helps children to understand the story. Each book is accompanied by a CD-ROM in which the word list, text and an extended reading material are included.
