Juan Bobo surname means "simple, or silly". Well Juan Bobo comes across as simple, and often times as silly. But in the end, he wins the day, and children have their laughs. Follow him in other of his books, all as enjoyable, whether in Spanish, as this one is, or in its English translation.

Este libro es fantastico! Una historia muy bonita y graciosa como siempre lo son las historias de Juan Bobo. Las ilustraciones son preciosas, gran arte. Me recuerda mucho a mi mama y mi abuela con los cuentos de Juan Bobo. Espero en el futuro poder compartir con mis hijo y que lo disfruten tanto como yo. This is a fantastic book. It's a beautiful story and very funny like all Juan Bobo stories always are. The illustrations are beautiful, great art. It reminds me of my mother and grandmother when they told me the Juan Bobo stories. I hope one day to be able to share this with my children, and I hope they enjoy it as much as I do. It is just absolutely beautiful and very dear to my heart.

i got this book because brings memories of myself going to school in P.R. 1954 or 1955. We have to read it in school . A book that i want my grandchildren to see like many others i have.

Super cute story!

The illustrations are outdated and flat. I would almost rather read the book to my son without showing him the pictures so he can use his own imagination for each scene. Argh.

it is a great little story for my grandchild

I recall with fondness these stories told to me by my Puerto Rican mother over 60 to 70 years ago.

They are sweet and have a morale to their stories as well as delightful photos.

I got this book for my daughter, being that I was born and raised in Puerto Rico. This is a very famous character there and I always want it to get this. My daughter laugh a lot with this book, specially with the part where Juan Bobo try to make the cow move, but she can't bcse he tied her legs. She make me read this like 5 times.Is A+++ to get for your kids.
