Customer Reviews

This book came in very handy on our travels! It was a great way to plan ahead part of our trip. We went to Latvia and Estonia with this as our guide :) I would recommend checking out visitor centers for additional information but this was great for some pre-planning!

Had a great time in Estonia, and I even took the recommended weekend retreat to Helsinki from there that it suggested. No regrets! It even talked about big local festivals so I knew which towns to avoid and when since I hate huge crowds.

Lots of great information about each country, including sightseeing information and general traveler information.

Always use Lonely planet when travelling

We learn the histories of countries before we go, we get ideas for hostels, we have the basic dictionary of phrases, we know the currencies, we learn the signs for men's rooms and ladies' rooms....we never travel without a Lonely Planet guide.

Satisfied.

Received promptly, product as described. Thanks

Great guide for my trip to the Baltics. Wish it had a bit more on Helsinki.
