Life Loves You Cards

Synopsis

Like Louise Hay's perennial best-sellers, *Power Thought Cards* and *Wisdom Cards*, the *LIFE LOVES YOU CARDS* contain affirmations that plant seeds for personal growth and transformation. Created by Louise Hay and Robert Holden, co-authors of *Life Loves You: 7 Spiritual Practices to Heal Your Life*, the *LIFE LOVES YOU CARDS*, like their book, explore the deeper meaning and practical application of Louise's signature affirmation, *Life loves you*. Each of the 52 cards contains an affirmation to practice on one side and on the other, an inspiring message to encourage self-inquiry and positive action. Among the

affirmations: I dedicate today to love

I live in a friendly universe

I trust that life wants the best for me

I listen to the wisdom of my body

I choose to live with ease

I follow my joy As an example, the card for the

affirmation *Life loves you* contains the following explanatory text on the reverse side: *Life loves us*

all. Look at yourself in a mirror. Breathe in and say, "Life loves me." As you breathe

out, smile. Repeat ten times. The card deck is designed to be consulted in many different ways:

as an oracle, perhaps, or a focus for the day or week, or to provide guidance on a specific issue.

However the cards are used, the authors say, they all demonstrate the transforming power of love.

These cards are just wonderful. Every card has a beautiful, uplifting message and sweet artwork. I originally purchased them as a gift and when the recipient opened them and I saw how precious they are, I had to buy a set for myself. I enjoy choosing a card every day and the message always feeds my soul.

I am a huge Louise Hay fan (and Robert Holden fan, too). Haven't yet read this particular book that they co-wrote but I wanted some cards for a pick me up and also have used Hay House card decks (and books, which I cut up) in creation of a vision board. I like this deck quite a bit. Nice images and easier to read than some other decks that Hay House offers (I can't believe I am even saying that - I am only 45!). They are perfect as affirmations to put around your house or to maybe pick a few out at random to contemplate and set the tone for your day. Highly recommend.

Perfect Simple Affirmations.

These are great! I love them so much I kept a box for myself for daily draws, & I bought a box so I could send one to friends in cards to share the love. These are beautiful, and the messages are spot on.

We have always been inspired by Louise Hay. Her books on dis-ease have helped in so many ways. We have purchased these cards many times and given to people as gifts. What a pleasure it is each morning to pick a card and have an inspiration for the day. Definitely recommend.

I have 3 different sets of the Loise Hay cards and this one is by far my favorite. A great way to start each day with self-love and affirmation.

Great quality, thick, shiny cards. The box is durable and can withstand being in a backpack. Thank

you! Kate

Louise Hay never disappoints. Beautiful cards. Very inspiring. Thanks, Louise!
