Customer Reviews

I love all the Disney Book Group books I have so far. Great pictures and, you know, good story :-)| will include some photos so you can decide yourself. If you like *The Little Mermaid* just go for it and don't look anywhere else. Keep in mind it is a big book so better for toddler or older kids.

Long story not good for very small children but the pictures are great very colorful

Wonderful book with beautiful illustrations. Bought as a gift for my granddaughter and she loved it. As a Disney Princess fan it does not disappoint. Makes for a great way to read to your child.

Such a beautifully illustrated book. My girls are big Disney princess fans, so this book was a hit!

Great book, and purchased much cheaper here than in stores.

Great hardback book! Bright and colorful pages, great illustrations! Was bought to start my daughter's classroom library!

Loved the movie and love the book. We are collecting them for our daughter for when she is a bit bigger.
