We live in the greatest nation ever! This little book is just what everyone needs to read, Read it first and then Pray this Book. It contains the perfect prayers to ask Our Lord Jesus Christ to restore our nation. We have all been too complacent. We sat back and allowed the ACLU to remove God from our schools, public domains, our country, We need to be stronger individuals and stand up for our beliefs, Marriage is between a man and a woman as defined in Genesis. Not two women or two men. Our country needs to return to the strong values on which it was based. Our constitution says it all. Everyone please purchase this book and pray for the leaders of this country. That HE will help them with their EVERY decision. That HE will see that we are sorry for what we have done to this country. That HE will turn this country around to be the GREATEST NATION it used to be!

The books got here quickly, well protected. The books are great! They are very short little prayers about everything that has to do with this country: the President, the Congress, the Supreme Court, the Military, the schools, etc. It makes praying for our nation quick, concise, and targeted!

Just after 9/11 2001, I came upon this little booklet. I bought it, and immediately thought it would be a wonderful format for a prayer group. The intercessions cover a variety of topics for which our country needs prayer including the President, Congress, the Military, Foreign Relations, Education, Families -- and so many other areas for which we often neglect to pray. This year -- in conjunction with our Church's 50th Anniversary and the 10th Anniversary of 9/11 -- the time seemed right to pursue this vision, and the Pray for Our Nation Prayer Group became a reality in our parish. This little booklet is the perfect guide to encourage personal and group prayer for America.

A necessary event with our three political candidates. I distributed them to my best 42 patriotic prayer warriors. Laying the poor situation at the feet of Christ, hoping to see His will done to solve the conundrum.

If you are a prayer warrior/intercessor & and even if you are not, this little prayer book is indeed a blessing. It will bless you so to know that you are constantly reminded to pray and that you are praying for our Nation. Life always gets in the way, however, keeping this little book handy, on your person, in your purse, etc, will indeed remind you to constantly pray. I just had to bless others with it as well. Psalm 33:12 "Blessed is the nation whose God is the Lord; and the people whom he hath chosen for his own inheritance." Peace & Blessings!

This has been so helpful in preparing prayers for our country. I take excerpts from several prayers to cover different issues in our prayers. I really believe the Holy Spirit guides my selections.

I read one a day and I start over and read another one a day. Our nation is in trouble and it helps me to focus on our nation and pray for it

This little book is powerful! So very helpful to guide us in prayer! We use it at our prayer groups!!!  
Ordered 5 and will be ordering more!!!!
