Read dream work and begin to see your life change with this comprehensive resource for dream work

This book has been translated in French under the title "Le Maitre des Reves." While some stories are quite interesting, others are simply "out of this world!" Harold Klemp has a way to tell stories in a

simple and direct manner. He knows how to touch people's heart. The book gives spiritual exercises in the form of contemplation (meditation) which help one understand his/her true place in the universe. The book explains how to use dreams to become a more conscious being. Dreams are the gateway to heaven... It's up to each and everyone to gather the strength and walk up the stairs leading to the door of heaven! Happy reading... and dreamin'!

In response to "question about Mahanta," the author of The Dream Master (Mahanta Transcripts), Harold Klemp, was never removed by the ECK order. He is still the ECK Master / Dream Master today, and continues to write wonderful books regarding this spiritual path.

Harold Klemp earned the spiritual responsibility of Mahanta, the Living ECK Master in the early 1980's and he continues in this service role today. This book represents a collection of talks he gave around the world from October 31, 1988 to July 30, 1989. They weave together powerful spiritual principles with stories of the principles in action in the lives of people today. Sprinkled throughout are Spiritual Exercises that help you develop your own knowing as Soul, "the eyes to see and the ears to hear." I have had phenomenal spiritual growth using the materials and support Harold Klemp offers...

A truly simple way to interpret your own dreams with your OWN symbology. You can discover new ways to delve deeper into the "inner worlds." The writer is a remarkable person who can offer insights into many areas of one's life: physical, social, intellectual, and spiritual. I have found that Harold Klemp is a true Spiritual Master.

I have a question about the term Mahanta, and have heard that this author had not attained to this position and was in fact removed in 1984 by the teaching masters of Eck order, so wonder about the validity of this material.
