Communion: A Bible Study Wordbook For Kids (Children's Wordbooks)

Synopsis

Perfect for use in Sunday school, Bible clubs, midweek programs, and even at home with a parent, this wordbook study on communion introduces children to the Lord's Supper and its meaning. The book illustrates the history of communion, how it is done, and why. It also explains when a child may go to communion: when their spiritual maturity has reached a point when the experience of communion can be fully appreciated. Activities include a maze, hidden bread and cup activity, coloring page, and secret message. This wordbook, designed especially for kids in grades 2-5, complements the rest of the Children's Wordbook series. They are great resources for parents and teachers who want to teach children the Christian doctrines of salvation, baptism, communion, giving, and the Church.

Grade Level: Preschool - 6

Customer Reviews

Pastor Richard E. Todd and his wife Claudia live in Southern California where he is Senior Pastor of Community Grace Brethren Church in Whittier and has served that church family since 1987. They have three grown sons and are grandparents. Richard has developed a sermon title database plus written other materials for nurturing the spiritual growth of children, youth, and adults.

I liked this book. I wanted my son to have some curriculum before he took communion and I thought this (plus I added some of my own) did a good job. It was simple enough for my 8 year old, but if he didn't truly pay attention he would not get the answers right (and had to do it over).

My daughter had been asking why I won't let her do communion. I told her not until she fully understood what it meant (she is 8). I bought this book and it really helped her with the understanding of what communion really was. It also helped me to better explain it to her.

Wonderful workbook for kids and parents to go over together! (Bought the Communion, Giving and Baptism books)

A little dull and a little weird graphics

Love this series. We used it last year for our pre-teens.

Great for children. Simple and Biblically sound. Recommend it highly.

Loved it. Really explained everything to the kids
