## Customer Reviews

Debby Anderson has written and illustrated several books for children, including the Cuddle and Sing series. She lives with her husband and four children, ranging in age from one to twelve, in Mesquite, Texas, where she and her husband are involved in a variety of church and cross-cultural ministries. Current Title: Let's Talk About Heaven, Do Bugs Have Noses? Jesus is With Me. Other Title By Debby Anderson: Jesus Loves Me Jesus Love the Little Children

We received this book as a gift for Christmas. My son is 24 months old and in one month's time has memorized this book and now "reads" it to us! This is the first book he has "read" although it is the newest addition in our collection. He LOVES this book! We have quite a large collection of board books (that we raised our 6 year old daughter with) and read several board books to him every day. Even though we have many Christian children's board books (Baby Bibles, etc) my kids would never request them. I think they lack rhyme and repetition to hold a young child's interest. However, I would rank this book by Debby Anderson right up there with my children's other favorite titles (Time

for Bed by Mem Fox, Dr. Seuss's board books, and Sandra Boynton's board books, etc.) This book has great pictures, a wonderful message that grows with the child's understanding, and easily reads with the tune. Great find! I'll be buying the other titles too!

My son can't get enough of this book!

nice gift
